

PEQUANNOCK VALLEY HOME & SCHOOL ASSOCIATION

Membership, E-mail Notification & School Directory Form

Dear Parents/Guardians,

The PV Home & School is establishing a **School Directory** that will contain each student's name, address and home phone numbers for the school year. Please sign up at our PV HSA website, PVHSA.com. You can sign-up online for our membership, enter all of the information below, and pay by PayPal. Our system helps to eliminate the need to return forms and sending in the payment to school. If for some reason you cannot use the preferred automated system, you can still fill out the form below and return it to us. If you would like your child's name to appear in this directory, please check "**yes**" below. If you prefer your child's information **NOT** to be included in this directory, please check "**no**" below. The directory will be provided to each family upon receipt of their Home & School annual membership dues of \$25.00. ***Dues help us to provide enrichment programs, field day, canteen nights, 8th grade dance and breakfast, eligibility for a PV scholarship as a Senior at PTHS (must be a HSA member for 6-8th grade), as well as other fun school related events for our children.***

Also, in an effort to keep parents up to date on important PVMS happenings and events, the PVMS HSA will be utilizing **E-Mail Notification**. We have joined the district-wide effort to become environmentally friendly by sending home forms, notices and other updates primarily through the e-mail system. The directory will be emailed to those who choose to join the HSA.

The e-mail notification list is requested of all families at PV. To ensure privacy, we do not share your e-mail with any other organization. It is strictly for School related items. If you choose "NOT" to be in the school directory we still ask that you participate in the e-mail notification.

Please print all information clearly and accurately. **Return form by September 11, 2019**

_____ **Yes** - I would like my child's information included in the School Directory.

_____ **No** - I prefer not to have my child's information included in the School Directory, my name and student(s) name is listed below.
